

Comic Books and Other Hooks: 21st Century Education

By Manfred J. Von Vulte

AuthorHouse. Paperback. Book Condition: New. Paperback. 214 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. 21st Century education is at the cross-roads. It can continue to be defined by a narrow scope, benefiting the median student who can muster moments of brilliance assisted by the technology he or she so easily wields, or it can salvage what was deemed noble by tradition and merge them with the modernistic tools and educational innovations of the new century. Education has reached a point where its students and parents have either seen the limitations of the system and accepted them, or have forged some external responses to them. These retorts can be seen in the following manifestations: the rise of after-school athletics, where sports are now played that have been deemed too aggressive for school, the explosion of tutoring centres who are capitalizing on the fact that process has been a small part of the curriculum and rudimentary skills are overshadowed by what can be best described as educational pulp, and finally, the growth of the independent private schools and home schooling, where total abdication from public systems has come to rest. Comic books, robotics, industrial arts, instrumental music, cooking, camping, fine art, and other...
