Bethan and Joshua, visiting London with their grandparents, are about to find out. Their adventure takes them from present-day, cosmopolitan city, back through time, to the London of World War Two, during the blitz, where they share the experience of air-raids, bombing, fear and - on the night of a bomber s moon - devastating and loss. This starts them on a trail to seek out anyone still living who may have information that could ease their friend s disquiet. But their time in London is coming to an end.
