Ace Your Medical School Interview which includes a section on Multiple Mini Interviews MMI for medical school is the most student centred interview preparation book available to achieve success in your medical school interviews. This book is not overly long, it doesn't contain reams and reams of information which is impossible to memorize let alone reproduce in an interview. What it does do is set out a huge bank of actual questions asked in medical school interviews as reported by actual candidates and gives you a vital analysis of the key areas the interviewers will be looking for in your answers. The book starts with advice about things you can do well before your interview to gain an edge over other candidates. It also gives vital advice on psychological techniques you can use to build rapport with the interviewers, body language, and two verbal tricks you can use to buy time while thinking of an answer to questions. It also warns you about the dirty tricks interviewers may use to unsettle you and how to respond together with advice on the top 5 interview mistakes which could wreck your chances of a place at medical school. Next it goes into detail about the top ten most frequently asked questions followed by the next 66 most common questions as reported by actual candidates together with suggested answers which show you the common themes and patterns. Armed with this knowledge you will learn how to adapt your life experiences to answer questions on any topic and never be left struggling for words. There is also a further bank of 153 questions which students can use to practice with in their...
