Brand New Book ***** Print on Demand *****.Excerpt from Adamitics, an Essay on First Man s Language: Or the Easiest Way to Learn Foreign Languages, for the Use of Middle-and Highschools In the preface of Mr I. Inoue s excellent new jap.- engl. dictionary I read the following passage: For several years I have devoted every moment that I could call my own to the compilation of this work and toiled at it day and night, often until the small hours of the morning, so that its completion leaves a void in my daily routine, a feeling of bereavement and loneliness. The same feelings overcame me two years ago after having edited my german pamphlet entitled die Mnemotechnik der Zukunft (mnemonics of the future), which I design to be a linguistic testament. This small work is the fruit of twelve years indefatigable exertion. It contains not only a short treatise on how to learn very easily foreign languages, but it is at the same time a dissertation upon primitive language, the origin and unity of languages and the universal language of the future. By...
