A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

Btg Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The battle for purity in society is raging, and unfortunately, many are captives or severely losing. David lost this battle as he committed adultery with Bathsheba. Solomon lost it as he had 1,000 wives and concubines to fulfill his lust. If we are going to win this battle, we must be strategic and disciplined. Winning is important to protect our lives, our families, our churches, and most importantly to honor our God. How can we win the battle for purity? In 1 Thessalonians 4:3-5, Paul commands the church to avoid sexual immorality and to learn to control their bodies in a way that is holy and honorable, not in passionate lust like the Gentiles, who do not know God. It is the believers relationship to God that encourages them to remain pure in a world that promotes and glorifies sex. In Scripture, God gives a Battle Plan for Purity with strategies for victory against sexual temptation. Let s study it together with The Bible Teacher s Guide: Expository, theological, and candidly practical! I highly recommend The Bible Teacher s Guide for anyone seeking to better understand or teach God s Word. -Dr. Young-Gil Kim, Founding President of Handong Global University I can t imagine any student of Scripture not benefiting by this work. -Steven J. Cole, Pastor, Flagstaff Christian Fellowship, Author of the Riches from the Word series.
