

AfterBurn: Reflections on Burning Man (Paperback)

Filesize: 1.4 MB

Reviews

A whole new eBook with a new point of view. It can be rally fascinating through studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be he best publication for at any time.

(Scarlett Stracke)

AFTERBURN: REFLECTIONS ON BURNING MAN (PAPERBACK)

University of New Mexico Press, United States, 2005. Paperback. Book Condition: New. New.. 224 x 152 mm. Language: English . Brand New Book. The Burning Man Festival is a weeklong spasm of radical self-expression held annually just before Labour Day since 1986. In late August 2003, more than 33,000 participants converged in Nevada s Black Rock Desert for this counterculture event staged as an experiment in temporary community. The participants gather to rid themselves of the conventional structures of their life and to sample the alternatives in hundreds of theme camps. The climax of the festival comes when attendees erupt into cheers and applause at the burning of a forty-foot-tall human effigy described as part pre-technological idol and part post-technological puppet . Both Lee Gilmore and Mark Van Proyen have attended Burning Man annually since 1996.
