*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

One cold morning I used the gloves to keep my hands warm on the way to work. I left the glove in the car and went to my office. After work, I went to the car and drove home. I pickup my briefcase and went into the house, forgetting the gloves in the car. When I noticed I had forgotten my gloves so I went back out to the to get them. All I could find was the righthanded glove. The other glove was nowhere to be found. My life and I had searched everywhere for the glove. The next day I had to use different gloves to keep my hand warm. At lunchtime I went out to the car to get something. I put my cane down between the seat and the console. When I was ready to get out of the car, I reached for the cane and found the missing glove on top of it. How did it get there? Where had the glove been? This story gives a possible answer to those questions. It tells about how the glove wished itself to the Land of Oz and its many adventures while there. What were these adventures? How did the glove end up back in my car on top of the cane? Ready the story and find out.
