KEYS TO TOILET TRAINING

Barron's Educational Series. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. A pediatric nurse practitioner offers advice to parents about toilet training, beginning with helping a child through early steps and continuing on to independence. Common setbacks and approaches to overcoming difficulties are discussed. Emphasis is placed on child development and communicating with caregivers, teachers, and grandparents. New in this edition are discussions of common problems in childcare and preschool, working with children with constipation and withholding, bedwetting, patterns in delayed toilet training, and trends in diapers, including green issues. Bringing up kids today is different--and in many ways more challenging--than it was in past generations. The revised and updated editions of Parenting Keys speak to today's parents with solid advice and answers to today's problems. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
