Reviews

This is actually the finest publication i actually have study right up until now. We have study and so i am confident that i am going to planning to go through again again in the foreseeable future. I am just effortlessly will get a delight of studying a published book.

(Lori Bernier)

STORYTELLING

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Storytelling, Todd Solondz, The director of "Happiness" has produced a characteristically scabrous dissection of the confused motives that can lie behind 'true-to-life' writing and documentary filmmaking. Solondz offers two separate stories ('Fiction' and 'Non-Fiction') that unfold amid the sadly comical terrain of college and high school. In the first, a young female student has a stranger-than-fiction sexual encounter with her creative writing tutor. In the second, a struggling documentarian sets out to faithfully record the life and thoughts of an ordinary American adolescent, but finds himself irresistibly drawn to the exploitative possibilities of the material.
