

Being Timeless: An Oldman a Youngman and a Week That Changed Everything (Paperback)

Filesize: 4.43 MB

Reviews

Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.
(Ms. Beth Conroy V)

BEING TIMELESS: AN OLDMAN A YOUNGMAN AND A WEEK THAT CHANGED EVERYTHING (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The bizarre rules of quantum physics are often thought to be restricted to the micro world, but they have become more and more part of everyday life in computers, smartphones, TVs and all other modern electronic devices. Increasing evidence points to the involvement of quantum mechanics in a wide range of biological processes and even if these oddities don't generally affect everyday macroscopic life, their existence pushes us towards a more complex and complete comprehension of the reality that surrounds us. The problem with quantum mechanics is that even if its model reflects the way nature really behaves, one is lead to consider certain consequences that are very hard to accept and that involve deep reasoning and imagination regarding our true nature and the way we perceive it. That's why this little book, far from being a complex mathematical essay, is a novel that is understandable to all and that offers the possibility of viewing reality in a new and original way with some intriguing extrapolations.
