In collaboration with his friend Adam Phillips, he wrote a dialogue and interview between the two of them called Intimacies in 2008. Bersanis' book is as complex and interesting as one could expect. To put it in a nutshell, he accuses queer theorists not to live their lives like they want you to do it in their own writings. In the following paragraphs I will try to briefly explain what queer theory is about in order to make an analyse of Bersanis' point of view about queer intellectuals. 16 pp. Englisch.
