Blaise writes, As I peeled the layers away, I knew that to find the answers I would have to give up my life to the intelligence that first consummated my life journey at the moment of my conception. The evolution of the journey from the outer world in Chapter 1 to the experience of my death in Chapter 11 -- my ideas, my questions, my insights and my knowledge -- all was transcribed to paper in the event I did not survive the journey. To find the truth I had to be willing to give up my existence, not intellectually, but emotionally, and through experience, not through words. Author Blaise Eagleheart lives in Victoria, B. C. , where he is the owner and operator of Natural Movement Centre. He is an Integrated Movement Specialist, Medical Exercise Specialist and Personal Trainer. As someone who has always walked his own creative path,...
