Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

(Prof. Martine Lesch)

THE ICE-CREAM MAKERS (PAPERBACK)

Scribe Publications, Australia, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. A dazzling novel about an Italian ice-cream dynasty, tradition, ambition, and the sensation of lemon sorbet melting on your tongue. In the far north of Italy lies the valley of the ice-cream makers: about a dozen villages where, for generations, people have specialised in making ice cream. Giuseppe Talamini claims it was actually invented here. Every spring his family sets off for the ice-cream parlour in Rotterdam, returning to the mountains only in winter. Eldest son Giovanni Talamini decides to break with this tradition by pursuing a literary career. But then one day his younger brother Luca approaches him with a highly unusual request. Now Giovanni faces a dilemma: serve the family s interests one last time or choose his own path in life, once and for all.
