Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Secret of Shambhala: In Search of the Eleventh Insight, James Redfield, In the remote snow-covered mountains near Tibet lies a community long thought to be a mere myth called Shambhala, or Shangri-La. Here, in this place, is knowledge that has been kept hidden for centuries, and an insight that can have a profound impact on the way each of us lives our lives. Your search for Shambhala begins with the words of a child and the vision of an old friend. Those slender clues and a powerful synchronicity will lead to Kathmandu, Nepal, and then to Lhasa, Tibet. Amid blowing snows and perilous mountains, you will meet the members of the secret Tibetan sect that guards mysterious legends - the verbal instructions handed down for centuries that describe the inner changes one must undergo before entering Shambhala. Finally, with Chinese Agents in pursuit, you will pass through regions where anger and compassion struggle for ascendancy, and arrive at a place where the stunning reality about human prayer-energy - our underdeveloped ability to increase the synchronicity in our lives and influence what will happen to us in the future - is revealed. Like James Redfield's other books, The Secret of Shambhala has a parable effect. Open yourself to this amazing adventure and the experience will stretch your world view. It will also leave you determined to channel your thoughts and wishes into a dynamic force that can help you to liberate your life, enhance the lives of others and actively change the world.
