

The Shaman s Crystals (Paperback)

By Professor Michael Hart, Maria Howard

Dog Ear Publishing, United States, 2010. Paperback. Book Condition: New. Patricia Dale (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.While on an archeological dig with their anthropologist grandfather, a troubled boy and his brother come into possession of three crystals with mysterious powers. An unscrupulous enemy who wants the gemstones for himself pursues them into a parallel world where the boys encounter help from an Inca Chief, a fuzzy new friend called a Tormac, and many other strange and wonderful creatures. Using a magical gateway to transport them to and from the other world, the boys try to fight off their dangerous foe while attempting to complete a special mission for the Inca nation. The first in a series of books, this includes a Tormac to English dictionary in addition to some beautiful illustrations by Patricia Dale. Michael Hart is an award-winning teacher at a private school in Los Angeles, California. Over a span of 30 years in both middle school and high school, he has taught classes in economics, psychology, journalism, social studies, screenwriting and mathematics.
