The University of Chicago Press, United States, 2004. Hardback. Book Condition: New. 2nd. 290 x 251 mm. Language: English . Brand New Book. Cutting across Chicago's South Side in a broad swath of concrete, steel, and overpasses, the Dan Ryan Expressway is one of America's busiest, and perhaps most chaotic highways. His photographs create an arresting visual representation of the expressway that provides an important window into the structure of Chicago's urban landscape and culture. *The Dan Ryan Expressway* ultimately examines where the highway fits within the trope of the American road and explores how it became a massive expression of the urban lexicon. As chilling as...
