Nightboat Books, United States, 2014. Paperback. Book Condition: New. 213 x 157 mm. Language: English . Brand New Book. Andrew Durbin s Mature Themes is a hybrid text of poetry, art criticism, and memoir focused on the subject of disingenuity and what constitutes personal experience both online and IRL when to go deep in a culture of so many unreliable communication technologies is to resend a text at 3 AM. Throughout the book, Durbin s voice mutates into others in order to uncover the fading specters of meaning buried under the pristine surfaces of art and Hollywood, locating below them the other realities that structure our experience of both.
