Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Summary of the Administration's Revenue Proposals This report summarizes the revenue proposals included in the Administration's comprehensive economic plan. The proposals are pan of a program designed to achieve three goals: providing a short-term economic stimulus for job creation; building an environment for long-term investment and growth; and reducing the structural budget deficit. The investment and stimulus revenue proposals are targeted to achieve the maximum impact for the minimum revenue cost. The revenue raising proposals restore progressivity to the income tax system, ensure that both domestic and international businesses bear their fair share of the tax burden, and encourage energy conservation and independence. The descriptions included in this report are not intended to be final. Many of the proposals will be revised in the process of finalizing the Administration's fiscal year 1994 Budget. The descriptions arc also not intended to be comprehensive. Numerous details, such as rules relating to the prevention of abusive transactions and the limitation of tax benefits inconsistent with the principles of the proposals, will be provided in connection...
