It is in numbers we have strength but the over all message is that strength comes from within us, individually. It is courage, community and choice that lead us down the path of life. In our book Unsinkable Soul, you will find several miraculous successes of faith, personal power, perseverance, and passion. This collection of truths, survival skills, realizations and triumphs are to lift the world. This book is an aide to the unsinkable soul that you are. We, as people, together sharing the planet, now or in different times and places, are here to help. We are here to lend a helping hand of loving-kindness. This is a secret, a mystery, an invisible gold that is shared around the world. It is coveted, it is hidden and it is also afraid to be revealed in each of our own life s evolution. Triumph and despair are not a new theme. What is new is the power, the force, the transparency and the quickness of the message spreading to heal. There are times of quiet and there are times of trumpet. In the gentle whispers hear the wisdom. In the loud song, when voices come together, hear the power. In the moment, be at ease, as there is nothing more than now. In our book feel the safety of telling your story as you read the inner callings, the tragic truths and the remedies that follow...
