## FINDING MR. WRITE

Villard Books. Paperback. Book Condition: New. Paperback. 254 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. Would you buy a house without seeing the inside Would you buy a car without checking under the hood and taking it for a spin Probably not. Then why is it that you will choose a mate without knowing whats going on inside him Most of you would agree that love letters are a great way into your heart. But though your man fills them with sweet words and promises, do you know what hes really saying between the lines Stop looking at the words and check out how he writes. Hand-writing doesnt lie. Handwriting is brain writing; it is frozen body language. Finding Mr. Write gives you all the tools you need to uncover everything you should know about your man, no matter how well he thinks hes hidden it. Does he print more often than not If so, he is very direct and to the point. How he loops his letters, how much pressure he puts on the page, his strokes and his slants, how he dots his is and crosses his ts, where he writes on the page--all of these will tell you more about whats going on inside him than his financial statement can. Finding Mr. Write is the compass that will aid you in your search for Mr. Right. From the Hardcover edition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
