They have attended my international dialogues in the past year. made efforts to collect and record them and compiled the contents into this book. Readers will find that the rapid growth of the Internet and satellite television have made the world ever smaller; the public of different countries also pay more and more attention to how their own countries' international reputation influences their personal interests. In this sense, the public of different countries are no longer passive receivers of public diplomacy, but active participants. Today, the main body of public diplomacy is the social institutes and NGOs in economy, culture, education, science, media, sports, arts and religion. Directory Presenting China Today Is the Key (Dialogue with Paul Foldi in Beijing on September 22, 2010) Norman Bethune's Contribution Produced the Effect of Public Diplomacy (Dialogue with...

Reviews

This book will be worth getting. Better than never, though I am quite late in start reading this one. It's been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, alter the way I believe.

This is the finest publication we have read through right up until now. Better than never, though I am quite late in start reading this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book by which basically altered me, affect the way I think.
