Have you ever wondered if you'll have enough money saved when it comes time to retire? Do you fear that you won't be able to retire or that you'll have to keep some type of job after you retire? Are you looking for practical advice that not only gives you the information you're looking for but the actions you need to take to ensure you have a successful retirement? If so, then this book is for you. Here is just a bit of what you'll find in Retirement Planning: Learn exactly how much money you need in order to retire. How to compute your retirement budget. Where you can find free money. (Make sure you're not missing out on this.) What types of investments you should have in your retirement accounts. Learn what you need to consider and do when changing jobs. The difference between 401(k)s, Traditional IRAs, and Roth IRAs. What to do about paying for college for your children. Avoid paying any more taxes than you have to, legally. Learn what you need to do if you're starting to save for retirement later in life. What an HSA is and when you'll need one. More. Make your retirement a secure and happy one. Scroll up and click Buy Now to start preparing for your retirement today.
